

## Iteration1 - Feedback for code

Team name: **TeamBATS**

### Instructor's feedback:

Well done!

### TA demo notes:

<b>Working features</b> (showed during the demo)	Frontend and Backend-Integrated:	Can register a new faculty + student - checks for valid entries + email
	Frontend only:	
	Backend only:	
<b>Untested and/or non-working code</b>	Frontend only:	
	Backend only:	
<b>Comments:</b>	2 people are only working on code, other 2 on documentation - could see causing issues in the future but had all the other features accomplished	

Score: **100**
